Verdict of the People
The people have used Clarke's Extract of (Papillon) Skin Cure and it has taken the first and highest place as a remedial agent in all cases of Skin Diseases. Erysipelas, Eczema, Pimples, unsightly blotches, humiliating eruptions, Boils, Carbuncles, Tetters, etc., all yield to this wonderful preparation at once. Price, \$1 for a large bottle at Johnson & Johnson's Drug Store. Clarke's Flax Soap is good for the skin. Try it. Price, 35 cents.

It's good form to use a lozenge if you are really near sighted, but not to keep one to snub other women with.

A Valuable Remedy.
Letter from S. F. Warkwell, Boston, Mass.: "I used Clarke's Extract of Flax (Papillon) Catarrh Cure in June last for Hay Fever with great satisfaction, and find it the only thing I have seen which would allay, without irritating, the inflammation of the nostrils and throat. Its soothing and healing properties were marked and immediate." Large bottle, \$1. Clarke's Flax Soap is the latest and best. Price, 25 cents. Ask for them at Johnson & Johnson's Drug Store.

It's good form to be punctual at a dinner it is courtesy to your hostess, at the theatre or opera it is politeness to the actor and the audience, and at church it is the respect due to God.

Expenses.
This is what you ought to have, in fact, must have, to fully enjoy life. Thousands are searching for it daily and mourning because they find it not. Thousands upon thousands of dollars are spent annually by our people in the hope that they may attain this boon. And yet it may be had by all. We guarantee the Electric Bitters, if used according to directions and the use persisted in, will bring you good digestion and out the demon of dyspepsia and install instead Eupepsy. We recommend Electric Bitters for dyspepsia and all diseases of liver, stomach and kidneys. Sold at 50 cts. and \$1.00 per bottle by Buell & Christian, druggists.

It's good form to speak politely to every human being with whom you are thrown in contact, but it is not to be confidential with servants or familiar with strangers.

The New Discovery.
You have heard your friends and neighbors talking about it. You may yourself be one of the many who know from personal experience just how good a thing it is. If you have ever tried it, you are one of its staunch friends, because the wonderful thing about it is, that when once given a trial, Dr. King's New Discovery ever after holds a place in the house. If you have never used it and should be afflicted with a cough, cold or any Throat, Lung or Chest trouble, secure a bottle at once and give it a fair trial. It is guaranteed every time, or money refunded. Trial bottles free at Buell & Christian's drug store.

It's good form to be hungry and appreciative of what is set before you, and it is not to disdain the food which you are asked to share.

Our friends the enemy are singing this morning this slightly revised version of an old song: "In the soup, by and by."

People are already losing their lives in western blizzards. Obviously the new states are trying to rush things.

COME TO SOUTHWEST VIRGINIA.
The iron market maintains its advancing tendency. Orders for pig iron are very hard to place at last week's prices, and some brands are being taken at a clear advance of fifty cents per ton. An advance of one-tenth on bar iron goes into effect today (store price two and one-tenth), while all other specialties are developing in the same direction. Mills and furnaces have far more business offered than can possibly be accepted, so that the outlook is of the most favorable character. —Philadelphia Press.

This state of the iron market argues well for the financial success of the furnace and rolling mills, either working or in course of erection in Southwest Virginia, and shows that capital can
